Section A - Demography and Health Care System

I. Introduction

General Information	I-1
Legal Authority and Purpose	I-1
General Certificate of Need Policies	I-2
Population for Planning	I-3
Outline of the <i>State Health Plan</i>	I-3

Map I-1: State of Mississippi 2005 Population Projections by County ...	I-4
---	-----

II. Mississippi Demographic Profile

Population	II-1
Housing	II-1
Employment	II-3
Income	II-3
Education	II-3

Table II-1: Mississippi Non-Agricultural Employment and Job Openings by Employment Sector	II-2
--	------

Table II-2: Persons and Families by Poverty Status - 1999, 1989, and 1979 - Mississippi and United States	II-3
--	------

III. Health Status of Mississippi Population

Natality Statistics	III-1
Mortality Statistics	III-4
Morbidity Statistics	III-13
Communicable Diseases	III-15
Occupational Injuries and Illnesses	III-18
Expectation of Life at Birth	III-18
Natural Increase	III-19
Minority Health Status	III-19

Table III-1: Live Births, Birth Rates, and Fertility Rates	III-2
--	-------

Table III-2: Deaths and Death Rates for Infants Under One Year, Selected Causes by Race	III-6
--	-------

Table III-3: Mississippi Counties Experiencing the Highest Infant Mortality Rate	III-8
---	-------

Table III-4: Selected Data for Counties Having the Highest Five-Year Infant Mortality Rates	III-9
--	-------

Table III-5: Age-Adjusted Death Rates by Age and Race	III-10
---	--------

Table III-6: Number of Deaths, Death Rates, Percent of Total Deaths, and Relative Risk for the Ten Leading Causes	III-11
--	--------

Table III-7: Five Leading Causes of Death and Percent of Total Deaths by Age Group	III-12
---	--------

Table III-8: Reported Cases of Selected Communicable Diseases	III-17
---	--------

Figure III-1: Birth Rates, Mississippi 1998 to 2002	III-3
---	-------

Figure III-2:	Fertility Rates, Mississippi 1998 to 2002	III-3
Figure III-3:	Mortality Rates Among White and Nonwhite Infants	
	3A - Infant Mortality	III-7
	3B - Neonatal Mortality	III-7
	3C - Postneonatal Mortality	III-8
IV.	Priority Health Needs	
	Disease Prevention, Health Protection, and Health Promotion	IV-1
	Health Care for Specific Populations	IV-2
	Implementation of a Statewide Trauma System	IV-7
	Health Needs of Persons with Mental Illness, Alcohol/Drug Abuse Problems, And/or Mental Retardation/Developmental Disabilities	IV-11
	Availability of Adequate Health Manpower	IV-12
	Public Health Preparedness and Response for Emergencies	IV-13
	Map IV-1: Mississippi Trauma Care Regions	IV-10
V.	Health Care System	
	Hospitals	V-1
	Ambulatory Care	V-2
	Long Term Care	V-3
	Hospice Services	V-4
	Rehabilitation	V-4
	Other Services	V-5
	Public Health	V-6
	Emergency Medical Services	V-7
	Mental Health	V-8
	Third Party Reimbursement	V-8
	Environmental Protection	V-10
	Related Areas	V-10
	Allocation of Public Funds	V-10
	Table V-1: Mississippi's State Supported Health Care System	V-11
VI.	Health Personnel	
	Physicians	VI-1
	Dentists	VI-6
	Nurses	VI-8
	Other Health Related Professionals	VI-10
	Allied Health Personnel	VI-12
	Health Manpower Standards	VI-18
	Strategies for Meeting Health Manpower Shortages	VI-19
	Table VI-1: Medical Doctors by Specialty	VI-3
	Table VI-2: Medical Doctors in Mississippi, Specialty by Sex, Race, and Age	VI-4
	Table VI-3: Number and Percent of Hospitals, Home Health Agencies, and Aging and Adult Service Employers Responding by Public Health Districts	VI-22
	Table VI-4: Personnel Categories, Number of Hospital Employers Providing FTE Data and Percent Change for	

	Categories of RN Personnel	V-24
Table VI-5:	Personnel Categories, Number of Home Health Employers Providing FTE Data and Percent Change of RN Personnel	VI-26
Table VI-6:	Personnel Categories, Number of Aging and Adult Services Providing FTE Data and the Percent Change of RN Personnel	VI-28
Table VI-7:	Nursing Student Status and Gender	V-30
Table VI-8:	Number of Students by Ethnic/Racial Group	VI-30
Map VI-1:	Active Primary Care Medical Doctors by County	VI-5
Map VI-2:	Active Dentists by County	VI-7

VII. Health Promotion, Health Protection, and Disease Prevention

Health Promotion	VII-2
Health Protection	VII-7
Preventive Services	VII-12

Section B - Health Facilities and Services/Certificate of Need Criteria and Standards

VIII. Long-Term Care

Options for Long-Term Care	VIII-1
Financing for Long-Term Care	VIII-5
Nursing Facilities	VIII-6
MSDH Recommendations	VIII-6
Long-Term Care Beds for Individuals with Mentally Retardation and Other Developmentally Disabilities	VIII-8
Alzheimer's Disease and Other Related Dementia	VIII-9
Certificate of Need Criteria and Standards for Nursing Home Beds	VIII-13
Criteria and Standards for Nursing Home Care Services for Mentally Retarded and Other Developmentally Disabled Individuals	VIII-25
Policy Statement Regarding Certificate of Need Applications for a Pediatric Skilled Nursing Facility	VIII-27
Table VIII-1: Division of Aging and Adult Services, In-Home and Community Based Services	VIII-3
Table VIII-2: Community-Based Services Client Demographic Mix	VIII-3
Table VIII-3: Mississippi Department of Mental Health, Bureau of Mental Retardation, Community Living Arrangements (A) Group Homes	VIII-11
(B) Supervised Apartments	VIII-12
Table VIII-4: 2005 Projected Nursing Home Bed Need	VIII-20
Table VIII-5: 2005 Projected MR/DD Nursing Home Bed Need	VIII-29
Map VIII-1: Long-Term Care Planning Districts	VIII-19
Map VIII-2: Mentally Retarded/Developmentally Disabled Long-Term Care Planning Districts and Location of Existing Facilities	VIII-28

IX. Mental Health

Mississippi Department of Mental Health	IX-1
---	------

Regional Community Mental Health-Mental Retardation Centers	IX-4
Social Services Block Grant	IX-5
Mental Health Problems in Mississippi	IX-6
Mental Health Services Delivery System	IX-9
Certificate of Need Criteria and Standards for Acute Psychiatric, Chemical Dependency, and Psychiatric Residential Treatment Facility Beds/Services	IX-29
The Need for Acute Psychiatric and Chemical Dependency Beds	IX-31
Policy Statement Regarding Certificate of Need Applications for Acute Psychiatric, Chemical Dependency, and Psychiatric Residential Treatment Facility Beds/Services	IX-32
General Certificate of Need Criteria and Standards for Acute Psychiatric, Chemical Dependency, and/or Psychiatric Residential Treatment Facility Beds/Services	IX-35
Service Specific Criteria and Standards for Acute Psychiatric, Chemical Dependency, and/or Psychiatric Residential Treatment Facility Beds/Services	IX-37
Table IX-1: Developmentally Disabled Population of Mississippi by Type of Disability	IX-11
Table IX-2: Number of Licensed Beds Set Up and Staffed by Service Unit in State Psychiatric Facilities	IX-11
Table IX-3: Acute Psychiatric Bed Utilization	IX-15
Table IX-4: Chemical Dependency Bed Utilization	IX-25
Table IX-5: Statewide Acute Psychiatric Bed Need	IX-40
Table IX-6: Statewide Chemical Dependency Bed Need	IX-40
Table IX-7: Statewide Psychiatric Residential Treatment Facility Bed Need	IX-40
Map IX-1: Operational and Proposed Inpatient Facilities Serving Adult Acute Psychiatric Patients	IX-14
Map IX-2: Operational and Proposed Inpatient Facilities Serving Adolescent Acute Psychiatric Patients	IX-19
Map IX-3: Psychiatric Residential Treatment Facilities	IX-20
Map IX-4: Operational and Proposed Adult Chemical Dependency Programs and Facilities	IX-23
Map IX-5: Operational and Proposed Adolescent Chemical Dependency Programs and Facilities	IX-24
Map IX-6: Regional Community Mental Health/Mental Retardation Centers and Location of Central Offices	IX-28

X. Perinatal Care

Mississippi State Department of Health	X-5
Physical Facilities for Perinatal Care	X-7
Guidelines for the Operation of Perinatal Units (Obstetrics and Newborn Nursery)	X-12
Certificate of Need Criteria and Standards for Obstetrical Services	X-17
Certificate of Need Criteria and Standards for Neonatal Special Care Services	X-23
Table X-1: Infant Mortality Rates - Mississippi, Region IV, and USA	X-3

Table X-2:	Top Ten Counties with the Highest Percentage of Total Live Births to Teenagers	X-3
Table X-3:	Utilization Data for Hospitals with Obstetrical Deliveries, FY 2003	X-8
Table X-4:	Neonatal Special Care Bed Need	X-28
Figure X-1:	Mississippi Hospitals with Obstetrical and Newborn Services	X-10
Map X-1:	Infant Mortality Rates by County of Residence, 1998 to 2002 (Five-Year Average)	X-4
Map X-2:	Mississippi Hospitals With Obstetrical and Newborn Services, All Levels	X-11
Map X-3:	Perinatal Planning Areas	X-28

XI. Acute Care

General Medical/Surgical Hospitals	XI-1
Therapeutic Radiation Services	XI-7
Diagnostic Imaging Services	XI-11
Extracorporeal Shock Wave Lithotripsy	XI-15
Cardiac Catheterization	XI-18
Open-Heart Surgery	XI-18
Certificate of Need Criteria and Standards for Acute Care	XI-21
Acute Care Hospitals/Beds	XI-23
Swing-Bed Services	XI-27
Certificate of Need Criteria and Standards for Therapeutic Radiation Services		XI-29
Therapeutic Radiation Equipment/Service Need Methodology	XI-34
Therapeutic Radiation Equipment Need Determination Formula	XI-35
Policy Regarding Control of Gamma Knife Therapeutic Radiation Equipment		XI-36
Certificate of Need Criteria and Standards for Diagnostic Imaging Services		XI-39
Magnetic Resonance Imaging Equipment/Services	XI-41
Digital Subtraction Angiography	XI-46
Positron Emission Tomography Scanner and Related Equipment	...	XI-47
Certificate of Need Criteria and Standards for Extracorporeal Shock Wave Lithotripsy (ESWL) Equipment/Services	XI-53
Certificate of Need Criteria and Standards for Long-Term Care Hospitals/Beds	XI-63
Certificate of Need Criteria and Standards for Cardiac Catheterization and Open-Heart Surgery Services	XI-69
Joint Policy Statement	XI-71
Policy Statement Regarding Cardiac Catheterization Equipment/Services	..	XI-72
Criteria and Standards for Diagnostic Cardiac Catheterization Equipment/Services	XI-74
Criteria and Standards for Therapeutic Cardiac Catheterization Equipment/Services	XI-76
Policy Statement Regarding Open-Heart Surgery Equipment/Services	XI-78
Criteria and Standards for Open-Heart Surgery Equipment/Services	XI-79
Table XI-1:	Facilities Reporting Megavoltage Therapeutic Radiation Services by General Hospital Service Area XI-9
Table XI-2:	Head Equivalent Conversion Table (HECT) XI-11
Table XI-3:	Location and Number of MRI Procedures by General Hospital Service Area XI-13

Table XI-4:	Location and Number of PET Procedures	XI-16
Table XI-5:	Extracorporeal Shock Wave Lithotripsy Utilization by General Hospital Service Area	XI-17
Table XI-6:	Number of Cardiac Catheterizations by Facility and Type ...	XI-19
Table XI-7:	Number of Open-Heart Surgeries by Facility and Type	XI-20
Map XI-1:	General Hospital Service Areas	XI-26
Map XI-2:	Cardiac Catheterization/Open-Heart Surgery Planning Areas and Location of Existing/CON-Approved Services ...	X-81

XII. Habilitation and Rehabilitation Services

Comprehensive Medical Habilitation and Rehabilitation Services	XII-1
Other Habilitation and Rehabilitation Providers	XII-3
The Need for Comprehensive Medical Rehabilitation Services	XII-10
The Need for Children’s Comprehensive Medical Rehabilitation Services .	XII-10
Certificate of Need Criteria and Standards for Comprehensive Medical Rehabilitation Beds/Services	XII-11
Comprehensive Medical Rehabilitation Bed Need Methodology	XII-17
Table XII-1: Hospital-Based Level I CMR Units	XII-2
Table XII-2: Hospital-Based Level II CMR Units	XII-2
Table XII-3: Comprehensive Medical Rehabilitation Bed Need	XII-17
Map XII-1: Location of Comprehensive Medical Rehabilitation Facilities	XII-18

XIII. Other Health Services

Community Health Centers	XIII-1
Hospital Outpatient Services	XIII-3
Ambulatory Surgery Services	XIII-4
Certificate of Need Criteria and Standards for Ambulatory Surgery Services	XIII-7
Home Health Care	XIII-13
Certificate of Need Criteria and Standards for Home Health Agencies/Services	XIII-17
End Stage Renal Disease	XIII-23
Certificate of Need Criteria and Standards for End Stage Renal Disease Facilities	XIII-25
Table XIII-1: Selected Data for Hospital-Based or Affiliated Outpatient Clinics by General Hospital Service Area, FY 2003 ..	XIII-3
Table XIII-2: Selected Hospital Affiliated Ambulatory Surgery Data by General Hospital Service Area, FY 2003	XIII-5
Table XIII-3: Selected Freestanding Ambulatory Surgery Data by County CY 2003	XIII-5
Table XIII-4: Medicare Home Health Statistics in the Ten-State Region .	XIII-21
Figure XIII-1: Medicare-Paid Home Health Visits Per 1,000 Population Aged 65+ in the Ten-State Region	XIII-22
Map XIII-1: Community Health Centers and Satellite Clinics	XIII-2
Map XIII-2: Ambulatory Surgery Planning Areas	XIII-12
Map XIII-3: Location of Home Health Agencies	XIII-15

Map XIII-4: End Stage Renal Disease Facilities	XIII-24
